EXPENSE TRACKER

1. **BY MONTH / CUSTOM RANGE (Tabs) -** Select whether to filter expenses by a specific month or a custom date range.
2. **ALL CATEGORIES (Filter Dropdown) -** Select a category to filter expense data.
3. **APPLY -** Click to apply the selected filters.
4. **SUMMARY CARDS -** Displays gross revenue, cost of sales, operating expenses, and net profit for the selected period.
5. **ADD EXPENSE** - Click to manually record a new expense.
6. **MONTH / YEAR (Dropdowns) -** Select the month and year to view.
7. **CHARTS TAB** - Click to view the charts for the selected period.
8. **EXPENSE RECORDS TAB -** Click to view a table of all recorded expenses, showing the date, type (Cost of Sales or Other), category, expense name, notes, receipt, and amount. Click the **pencil icon** to edit a record or the **trash icon** to delete it.
9. **CHARTS** - Displays Revenue vs. Expenses (last 6 months), Monthly Net Profit Trend, and This Month's Expense Split by category.
