DASHBOARD & OVERVIEW

1. **OVERALL INCOME -** Displays the combined total from sales, rentals, and refills, along with net profit after deducting expenses.
2. **SOLD PROFIT / NET PROFIT INCOME -** Displays the profit earned from sold items and the net profit income for the selected period.
3. **TOTAL EXPENSES -** Displays the total recorded business expenses.
4. **CUSTOMER DEPOSITS -** Displays the total amount of active refundable deposits held from customers.
5. **TOTAL REFILL INCOME / TOTAL TANKS REFILLED -** Displays the income earned from oxygen refills and the number of tanks refilled.
6. **ACTIVE RENTALS UNITS -** Displays the current number of equipment units actively rented out.
7. **TOTAL FREIGHT EXPENSE -** Displays the total cost of freight incurred.
8. **TOTAL RENTALS INCOME -** Displays the total income from rental transactions, along with the 30% share of rental income.
9. **TOTAL INVENTORY -** Displays the total stock count across all equipment.
10. **TOTAL COMMISSION -** Displays the total commission earned, with a formula breakdown of how it is computed.
11. **DASHBOARD RANGE -** Select a time period (e.g., This Month) to update the figures shown on the dashboard.
12. **OXYGEN TANK TRACKING / STANDARD EQUIPMENT** - Click a tab to switch between oxygen tank stock and non-oxygen equipment stock. The table displays stock levels per product or tank variant, including type (Sale/Rent), condition, and total, rented, full, and empty counts.
