TRANSACTION DETAIL

1. **BACK BUTTON -** Click to return to the Transactions list.
2. **PURCHASED / RENTED / REFILLED ITEMS -** Displays the equipment included in the transaction, along with quantity, unit price/rate, and subtotal.
3. **INITIAL FILL FEE RECORD -** Displays the one-time initial fill fee, including date issued, total cost, payment progress, balance due, and status.
4. **MONTHLY BILLING SCHEDULE -** Displays the billing breakdown for each rented item, including billing period, amount due, payment progress, balance, and status.
5. **PROCESS ITEM RETURN -** Select the items being returned, then enter the quantity, tank status, return notes, and any late fees. To refund a deposit, check “Return/Refund Customer Deposit” and enter the refund amount. Click “Confirm Selected Return” to complete the return.
6. **PAYMENT SUMMARY -** Displays the financial overview of the transaction, including items subtotal, total charges, net payable, total paid, customer deposit, and total balance due.
7. **PRINT RENTAL AGREEMENT -** Click to print a copy of the rental agreement for this transaction.
8. **EDIT CUSTOMER DEPOSIT (Pencil Icon) -** Click to correct the deposit amount recorded for this transaction. In the window that opens, enter the correct amount in the Deposit Amount field, then click “Save Changes” to update the transaction’s records and held balance. Click “Cancel” to close the window without saving.
9. **CUSTOMER DETAILS -** Displays the customer’s name, fulfillment type, rental duration, payment method, subtotal, service/late fees, total value, and transaction date.
10. **VIEW FULL PROFILE -** Click to view the customer’s complete profile.
